### Terms and Conditions of Account

The Consumer Credit (Victoria) Code applies where a supplier provides money to purchase goods or services or allows a debt to be deferred. The College is not a credit provider under the Code and settlement of accounts must be made strictly in accordance with the terms of payment.

Parents who require credit for the payment of school accounts should contact their bank or credit provider.

The following Overriding Provision ensures that billing and collection of fees and other miscellaneous charges is exempt from the Code.

### Overriding Provision

*Liability for fees and charges will not arise until the issue of an account. The account will be issued approximately two weeks before the due date of payment.*

The effect of the exemption provisions of the Code, supported by the College Board, requires that all fees be paid within the set time periods. If there are more than two terms of fees outstanding, a payment plan must be entered into with the College.

If this plan is defaulted, a meeting will be arranged with the Principal and/or Director of Business Operations. If a suitable resolution is not made, your child's place will be withdrawn, and legal action taken to recover all monies owing.

### Queries

All matters regarding payment of fees and charges can be discussed in confidence with the Finance Officer or the Finance Manager via phone or by sending an email to [accounts@kardinia.vic.edu.au](mailto:accounts@kardinia.vic.edu.au).
